Description

An exceptional opportunity has arrived at Clayridge Park in Barton-le-Clay. We offer a rare chance to purchase one of just 29 custom-build plots to tailor a home that is truly your own. This is more than just a move—it is the ability to shape your "forever home" around your lifestyle. From internal layout to decorative finishes, you have the flexibility to influence the design while benefiting from a professionally guided process. Whether designing a bespoke kitchen or creating a unique living space, opportunities to custom-build with this level of infrastructure support are rarely available. Prices not yet released but early interest is building, so call us now for more details and to register your interest ahead of the official launch! NB: CGI images shown are examples of various plots types and are subject to change.
