Attractive 3-bed semi-detached cottage with large garden, off-street parking, and extension potential, subject to planning.

Description

Situated on Green Lanes in Hatfield, this three-bedroom semi-detached house offers a renovation opportunity with excellent potential. Arranged over two floors, the property includes a spacious dining room, separate living room, kitchen, bathroom, and three bedrooms. It requires renovation throughout, providing a blank canvas to create a modern family home. The property benefits from off-street parking and a large rear garden, offering outdoor space and potential for improvement. There's scope to extend and remodel, subject to planning consents. Conveniently located for local amenities, schools, and transport links, this is an excellent opportunity to add value through refurbishment. The property will be sold with covenants limiting changes without Gascoyne Estates' consent. Adjacent land is subject to proposals by Gascoyne Estates for a significant new-build development. Buyers should review planning documents regarding the development's impact, access arrangements, and timescales before proceeding.

Green Lanes is within walking distance of local shops, Hatfield Business Park, the Galleria Shopping Centre and countryside walks. The area is well served with bus routes and located with easy access to both St Albans & Welwyn Garden City town centre
